

16 YEARS OF INNOVATION

2000

Creation of NEOTION company

2001

NEOTION CHIP 1 // 1st NEOTION ASIC

infocast Public launch of the **InfoCast Service** (1st worldwide multimedia bouquet for PC sent by satellite)

NEOTION Pilot 1 // first USB satellite receiver for PC with Smart Card reader

2002

NEOTION Box 3000 // Advanced Set Top Box with USB connector to connect to PC, 2 CI slots and one Smart Card reader and its PC software: **NEOTION Video Link**.

NEOTION Pilot 2 // USB satellite receiver for PC with CI Slot and Smart Card reader

NEOTION Box 1000 // Advanced Set Top Box with USB connector to connect to PC, one Smart Card reader.

NEOTION SHL // Creation of an Access Control

infocast MIDDLE EAST // Middle East launch of an **InfoCast service** version in Arabic

2003

NEOTION Box 2000 // Advanced Set Top Box with USB connector to connect to PC, one smart card reader and one CI slot.

NEOTION SHL easy // a new control access based on pre-paid smart card.

Xeale Technologies // Acquisition of XEOLE future NEOTION ASIC center in Sophia

NEOTION Processor 4 // a MPEG-4 decoder chip for CAM

NEOTION Box 501 // Set Top Box with USB connector PC to TV, one smart card reader.

NEOTION Box 1000s // Slim Advanced Set Top Box with USB connector PC to TV, one smart card reader.

2004

NEOTION Hub // new IP-based HD for CI slot on STB or TV

My NEOTION BOX // Launch of the STB "my NEOTIONbox" range - customizable STB, with PVR functions and services

infocast SERVICES // 8 NEOTION services available on NEOTION STB or (some) CAMs

infocast TV // Chat on TV, Chat with ME, GAMES, MEDIA

2005

Advanced Satellite PVR Set Top Box with external HDD connectable to PC and with multimedia transfers 2 ways

NEOTION Box 601T // Advanced Terrestrial PVR Set Top Box with external HDD connectable to PC and with multimedia transfers 2 ways

1st MPEG-4 to MPEG-2 CAM decoder in the world

NEOTION successfully goes public on the **ALTERNEXT**

ALNEO NYSE Alternext.

TPS & SONY launch a bundle operation on French pay DTT with a MPEG-4 VIACCESS CAM
